

A DIRECTORY OF ARKANSAS
POLITICAL SCIENTISTS

Compiled by
Peter N. Kidman
1975

This directory updates and expands last year's preliminary effort to catalog political scientists in Arkansas. If, as a consequence of its publication two political scientists start a process of communication, this directory has more than served its purpose.

Acknowledgement is due Mrs. Peggy Curton for her help in preparing these pages and to Arkansas State University for the materials and facilities used in compiling this directory.
